

## Final Plans Made For Banquet

On Wednesday, May 8, the second meeting of our Alumni representative group was held at the High School. Final preparations were made for our banquet. The following committees have been appointed:

Reception — Minnie Hartley, chairman; Anna Gross, Elizabeth Atkinson, Madonna LaMotte and Vera Barber.  
Decorations — Laura Moshier, chairman; Ann Smith, Marilyn Gildner, Blanche McNeil and Phyllis Ziebell.  
Voting — Bill Joseph, chairman; Don Kangas, Bob Welsh and Melvin Nielson.  
Program — Earl Gierke, chairman; with his own appointed helpers.

Membership — Elmer Fenton, chairman; Helen Lamm, Grace Andrews and Sam Gust.  
We're really on our way now. Interest is growing and time is flying. Don't forget, May 24th is the deadline on ticket sale. We must have a definite guarantee on the number to be served. Please contact designated members for your tickets.

Local members to contact for tickets: Minnie Hartley 1906-'13, Vera Barber 1914-'18, Margaret Nielsen 1919-'20, Olga Nielsen 1921-'23, Grace Andrews 1924, Helen Lamm 1925, There is an absolute necessity for funds to carry on our work from year to year. The one big job your membership committee is to see that all who wish to become members get their cards which we will have printed and ready for the banquet. I sincerely believe every one of us will want to become a member.

Something else we must all keep in mind, is the formation of a permanent Alumni Association this year. Besides voting in our officers we must also vote on membership dues. There is an absolute necessity for funds to carry on our work from year to year. The one big job your membership committee is to see that all who wish to become members get their cards which we will have printed and ready for the banquet. I sincerely believe every one of us will want to become a member.

We will—won't we?  
C. Sorenson.

## An Erroneous Idea

Let us be reasonable about the Cancer Fund. The county has received only one half of the amount each year from the Michigan Society at Grand Rapids. The Polio Funds keep all.

With the half we as the Crawford County Cancer Society, will do the best we can on aid all cancer patients, from the one half received.

Should the county contribute \$500, it means we receive only \$500 back for use here, for Loan closet, education, speeches by doctors, leaflets, movies, etc., and campaigning.

Could there be a nest egg, it could help early detection of minor cases not the paying off of heavy major cases extending over the years. In that case, the payment of such a bill would take up the whole nest egg for one individual and maybe then, not sufficient.

Last year two cases of cancer early detected, and cured by one X-Ray treatment at Detroit, were paid for by the Crawford County Society—but both patients had gone to doctors early and were minor cases.

The day may come when all money collected may remain here, but to date with only one half sent back, we must use the same for above purposes mentioned.

Mrs. Emma MacAuley, Commander.

## Mrs. Failing Celebrates 89th Birthday

Happy birthday wishes are extended to Mrs. Ellen Failing of Beaver Creek who was eighty-nine years old on Monday, May 12th. All of her children were present on Mother's Day to celebrate the occasion.

Dinner was enjoyed at Sorenson's Restaurant. Present were Miss Margaret Failing of Bay City, Mr. and Mrs. Earl Wood and son, Ronald of Midland, Mr. and Mrs. E. J. Olson, Mr. and Mrs. L. J. Douglas and Nels Olson and son, Nels Peter.

## Chest X-Ray Free June 9, 10

Spurred by teamwork, a free 17 day chest X-ray campaign for adults in Crawford, Kalkaska, Missaukee, Roscommon and Wexford counties will be launched May 27, health officials announced this week.

Moving to ten different locations a mobile chest X-ray unit has been assigned to the five county region to bring a "convenient chest X-ray service for everyone from 15 to 100 years of age," said Dr. C. E. Merritt, director of the area health department.

The mobile unit will be in Grayling on Monday and Tuesday, June 9 and 10. On Monday it will be open from 12:30 to 5:30 and from 7 in the evening to 9 p. m. On Tuesday the hours will be from 8:30 to 12:30 and from 1:30 to 5:30 p. m. The unit will be parked in front of the Grayling Bottling Company on Cedar St.

Medical Societies and the Michigan Tuberculosis Association are joining the health departments in sponsoring the drive, which will give a number one goal the discovery of tuberculosis in early, most curable stages.

School students of the five county area—4,000 of them—were given the tuberculin test for signs of TB earlier this year. Officials

## Kiwanis Club Notes

A color movie—complete with sound of a seven day voyage of the Great Lakes formed the program at Monday night's meeting of the Kiwanis Club of Grayling. Emil Giegling was program chairman.

The movie released by the Georgian Bay Transit Company, which operates the North and South American steamers showed a cross section of the Great Lakes area and its port towns.

The cruise started in Chicago with many pictures of the city and its wonders. The movie also depicted Mackinac Island, Houghton, Duluth, Detroit, Cleveland, Buffalo and Niagara Falls. It was a spectacular movie in its display of the natural and man made beauties of the Great Lakes basin and was thoroughly enjoyed by the club.

## Band Concert Greatly Enjoyed

A large crowd of interested listeners gathered at the school gymnasium Monday evening when the Junior and Senior bands of Grayling High School presented their spring concert. The Junior band, who is showing much promise, played six numbers and the senior band resplendent in their green and white uniforms played seven numbers. All were greatly enjoyed.

Piano accompaniments for the various instrumental solos were played by Vivian Fenton, Mrs. June Taylor and Marion Millikin. In the previous issue of the Avalanche the entire evening program was printed and the name of Barbara Fenton, who played a clarinet solo was omitted. Sorry, Barbara.

It being so near Mothers Day and Mrs. Ethel Christian of Marquette, mother of Director Leroy Christian being present, the number "Mexican Overture" by Isaac played by the Senior band was dedicated to her.

The Avalanche Office will be closed all day Saturday.

Mrs. J. E. Cook spent Mother's Day in Detroit with her mother Mrs. W. Tapio and sister and family the William Martins.

Mrs. C. F. Olin returned home to Bear Lake, and daughter, Donna, returned to Sparrow Hospital, Lansing after spending their vacations at Hendricks.

The Roy Smith family attended the Nels Band concert in Traverse City.

## Doctors Schedule Pre-School Clinics

Plans have been made to do physical examinations for children who will be entering kindergarten in September, 1932. The doctors will do the examinations in their offices. The cost of the examinations will be \$1.00 and will include booster immunizations. If immunizations are started that cannot be completed on that day, the parent will need to make arrangements with the doctor about time and fees for completing immunization.

The following schedule has been arranged with the local doctors: Drs. Keyport, Clippert, & Henig Thursday, May 22 from 9:30 to 11:30.

Dr. S. A. Stealy - May 23 from 9:30 to 11:30.

Dr. L. F. Hayes - May 27 from 9:00 to 11:30.

C. E. Merritt, M. D., director of the District Health Department will be at the Court House on Wednesday, May 28 at 1:30 P. M. for the second immunization shots and vaccinations.

## Capacity Crowd Attends Banquet

The annual Mother Daughter banquet sponsored by the Mary Martha Circle of Michigan Memorial Church was held at the church Friday evening.

A capacity crowd seated at long tables centered with bouquets of yellow daffodils and lavender sweetpeas. There were tall white tapers and at each place was a lavender picture hat favor as well as programs.

Piano music by Mrs. June Taylor was enjoyed before dinner. Mrs. R. C. Puffer gave the invocation. Following dinner Mrs. Thomas Robertson took charge of the program. A piano selection was played by Miss Joan Andrews.

The toast to the daughters was given by Mrs. Clarence Gross and the toast to the mothers by her daughter, Miss Sally Gross.

The special program treat was a talk by Mrs. George Francis of Saginaw entitled "Talking Thru My Hat." She told the life story of Lilly Dacka, a little Bohemian girl who came to America and became a famous hat designer and maker. With her talk hats dating back from 1918 to the present time were modeled from the collection as well as some dresses and shoes in style in past years. Acting as models were Mrs. Eugene Papandick, Mrs. Gene Cornwell, Mrs. Leslie Hunter and Miss Sylvia Robertson. The talk was most enjoyable.

Mrs. George Tarrant of Saginaw and Mrs. David G. Robb of Bay City accompanied Mrs. Francis and attended the banquet.

Miss Louise Lutz rendered a vocal solo "Mother Macraes" and then Mrs. Robertson presented corsages and flowers to various mothers.

Mrs. Albert Lutz, Mrs. Thorwald Sorenson and Mrs. Byron Newell, for having the most daughters present. Mrs. Beverly Lovlie for being the youngest mother present with her daughter, and Mrs. Ellen Failing for being the oldest mother present.

Chairmen for the affair were Mrs. Carl Richardson, tickets; Mrs. Tom Robertson, program; Mrs. Howard Bunker, kitchen; and Mrs. Ed Gierke, dining room. Mrs. Bunker was assisted by Mrs. K. K. Kitchner, Mrs. Foyce Barber, Mrs. Erwin Wales, Mrs. Thomas Haug, Mrs. John Erkes and Mrs. Hanna Langenberg. Assisting Mrs. Gierke were Mrs. A. F. Doner, Mrs. Harley Russell, Mrs. Clayton Strachly, Mrs. Earl Nelson, Mrs. J. L. Martin, Mrs. Lillian Ryan and Mrs. Clare Madsen.

## Conservation Club Enjoys 4-H Day at Frederic High

Grayling High School Conservation Club students spent the day at Frederic May 3 attending 4-H Achievement Day exercises. They enjoyed movies, a talent show, dress review, demonstrations and displays by various clubs.

Grayling High had two among the many line displays there. One was the Conservation Pledge—enlarged and framed—and the other a display of deer browse. There were also pictures taken on one of the several field trips we have had during the past year.

There were four Grayling students who participated in the program. In the talent show Sylvia Robertson, clarinetist, and Greta Rasmussen, piano accompanist played "All The Things You Are" by Jerome Kern.

Phyllis Goss and Caroline Long gave a demonstration on planting trees. Phyllis and Caroline will represent Crawford County at Gaylord in July 23-24 for the elimination contest.

Winning demonstration team at Gaylord will be given the opportunity to compete for State honors at the Michigan 4-H Club Show August 28-29.

Jackie Hunter, Secretary.

## Puffer Decries Lack Of Interest

"Every week I meet hundreds of people in the Tenth District. I find that many people do not realize how essentially decisive the office of congressman is in the affairs of government," R. C. Puffer, Grayling candidate for the Republican nomination to Congress from the Tenth District said today.

"Interest centers so much in the presidential race that people neglect to meet and find out about the men who make the laws and hold the purse strings," he declared.

"If we get economy in government it will be because we elect to the Congress economy minded men," the candidate continued.

"The administration cannot indulge in a spending spree unless Congress appropriates the money," he argued.

"Our choice of whom shall be our next president is certainly important, but no less so than the choice of those who shall represent us in the Senate and the House of Representatives," candidate Puffer concluded.

Hard at work throughout the wide fourteen county district, Candidate Puffer is busy with talks on radio, before clubs and groups and meeting the people personally in the cities, towns and villages of the district.

## Form "Puffer For Congress" Committee

A local "Puffer for Congress" committee was formed Monday evening at a meeting held in the court room at the Crawford County Court House.

Emil Giegling was named chairman by the group of about thirty that attended the meeting. Earl R. Burns was named as co-chairman with a secretary to be named at a later date.

Chairman Giegling named to a finance committee Fred Welsh, Sr., Fred Welsh, Jr., William Joseph, John Braun and Walter Ruethner. Ray Clement, Harley Russell and Thomas Welsh were named as a three man committee to plan a rally for the Republican candidate for the Congressional post from the Tenth District.

The committee discussed plans to organize the campaign in the fourteen county district and ways and means of carrying campaign literature throughout the district. The chairman named Art Clough and Robert Strong to formulate a letter with which the campaign in the district could be carried out on a personal basis.

The committee is to meet again next Monday evening and on an every week basis during the three months now preceding the primary election to be held August 5, 1932.

## Camp Grayling Construction Contracts Awarded

Contracts totaling \$140,849 have been awarded two Michigan concerns for construction of roads, water mains, and installation of generators at Camp Grayling, according to the Adjutant General's Office.

The contracts were awarded by Lieutenant Colonel Harry E. Northrup, Acting United States Property and Disbursing Officer for Michigan, under a \$300,000 allotment of federal funds granted the Michigan National Guard this year for expansion and improvement of facilities at Camp Grayling.

Tabor-Carmody Company of Grand Rapids has been awarded a \$84,450 contract for widening and resurfacing approximately nine miles of Camp Grayling's road. Hard surfacing of some 10,000 square yards of vehicle parking area also is included in the contract.

Awarded the Grand Rapids construction company also was a \$43,400 contract for installation of 8,000 feet of 8" cast iron pipe, 2,000 feet of 4" pipe, and the lowering of 1,800 feet of existing 6" pipe.

An \$8,930 contract was awarded U. S. Motors Corporation of Detroit for installation of three gasoline engine driven electric generators.

Work on these projects is expected to begin May 12 and to be completed by mid-August.

## HOSPITAL NEWS

Among those who have been released from Mercy Hospital during the past week are Mrs. Mary Flint, Marlin Flint, Don Akers, Mrs. Eva Melroy, Mrs. Margaret Dean, Roy Warner, Jack Millikin, Sr., William Isenhardt, Johnny Owen, Mrs. Irene Horschel and last but not least Irene Galvani. At long last Irene is able to be about on crutches. Irene has been in the hospital since December 15th.

Among those confined to Mercy Hospital are James Lynch, Mrs. Marie Olson, Mrs. Belle Sterling, Michael Smock and Norman Moyer.

Mr. and Mrs. Alfred Hoffman are happy over the arrival of a son, born May 10th. Anthony Jay weighed seven pounds, eleven ounces. His grandparents are Mr. and Mrs. S. D. Dunham and Mr. and Mrs. Albert Hoffman.

## Engagement Announced

Mr. and Mrs. Thorwald Sorenson announce the engagement of their daughter, Jeanne Evelyn, to William Earl Jensen, son of Mr. and Mrs. Leonard Jensen of the Hartwick Place. A September wedding is being planned.

## Glee Club Entertains With Musical Tea

Over one hundred ladies were present Saturday afternoon when members of the Grayling High School Glee Club under the direction of Mrs. Roy Milnes, entertained their mothers and other relatives and friends with a musical tea.

The affair was held in the gymnasium whose walls were decorated with large cut outs of tulips and daffodils.

The tea table was graced with a lace cloth and centered with a bouquet of pink and white snapdragons. Tall tapers were on either side. Napkins were decorated with musical marks, the chief sign and others. Mrs. Frank Bond and Mrs. Joseph Stripe presided.

Following the tea the Glee Club sang several numbers, classical, popular and Negro spirituals, two without piano accompaniment. The singing was well done and greatly enjoyed by those attending. Miss Joan Andrews as usual did a very fine job as piano accompanist. Mrs. Milnes is to be complimented on the fine work she has done with the Glee Club.

## Band Attends North Michigan Meet

On Thursday, eleven high school bands among them the Grayling High School band with Director LeRoy Christian attended the Northern Michigan Band Concert and Festival held in Charlevoix.

During the afternoon the bands gave individual performances and practiced and at three all bands marched in parade. The Grayling band made quite a showing and presented a fine appearance in their green and white uniforms.

In the evening all eleven bands played in unison at a concert held at Charlevoix High School Gymnasium. They were directed by Roy Miller, guest adjudicator of Wayne University, Detroit.

It was gratifying to see how one man could bring the group. 394 strong together, each band having been taught to play the selections by different directors who would naturally not agree to a note on how the numbers should be played.

The purpose of the festival was to give constructive criticism to the bands participating. Mr. Miller, "an old Sousa man" gave them new ideas on how to play "Sousa style" and made other criticisms aimed at giving the students a better understanding of their work.

## County G. O. P. Ladies To Rally Wednesday

County Republican ladies were invited to attend a dinner rally to be held at the Shoppington Inn at 7 P. M. next Wednesday evening, May 21 by Mrs. Helen Clippert, vice chairman of the Crawford County Republican Committee.

The program will be under the direction of Mrs. Clippert and will feature as a speaker Mrs. Roe C. Hooker, Republican National Committeewoman from Michigan whose home is in Mount Pleasant.

Efforts will be made at the meeting to cement a working group together to carry on the campaign from now until the August primary election and then on through until the November presidential election.

## Grayling Fire Department News

The weekly meeting of the Fire Department was called to order by Chief Middle LaMotte on May 12 at 7:30 P. M.

Roll call was taken and 16 members were present. Bills for the Department supper held May 9 were approved and ordered paid. A general discussion was held. A demonstration was given on putting new couplings on hoses.

The Department received one new hose and six new lengths of hose. The meeting was adjourned at 8:45.

## AuSable Canoe Marathon Starts Midnight, September 12

### First Prize Raised To \$1000 Cash

The Michigan Canoe Championships, the twenty hour canoe marathon from Grayling down the 240 miles of AuSable River to Lake Huron will start from Grayling at midnight, Friday night, September 12. The first canoe should swing across the finish line in Oscoda around 8 P. M. Saturday night.

The first meeting for the Sixth Annual race was held in Mio Monday evening and Ben Azer of Mio was named the chairman for the marathon. Les Hunter of Grayling was elected as secretary. Attending the sessions from Grayling with Hunter were John H. Peterson and Jerome Kesseler. Representatives were also present from Oscoda and Secretary Manager of the E. M. T. A. Frank Davis and Andy Munch of Bay City were also in attendance.

The group decided to raise first prize to \$1,000 with the other prizes staying the same as last year. Second place receives \$350, third \$225, fourth \$125, fifth and sixth \$75 each, seventh, eighth, ninth and tenth \$50 each. The raising of the prize money will be accomplished by Oscoda and Grayling each raising \$700 and Mio \$300. Entry fees will remain at \$10.00 per canoe team of two men. However one rule was changed in that canoes may now carry commercial advertising painted on their sides. If this is done the entry fee is raised to \$20 per canoe. The other fourteen rules of the race will remain the same as they have been for the last two or three years.

It is believed that a later start out of Grayling with the first part of the marathon run in night hours will slow the time between Grayling and Mio to quite an extent. However once the daylight arrives the race will continue with light on through to the finish thereby allowing the teams to make up lost time. Whether the novel arrangement of starting at midnight will have an effect on the overall elapsed time for the 240 mile canoe marathon is a question. The change to a Friday and Saturday race is also novel in that all of the previous races have been run off on Saturday and Sunday.

## Golf Club Officers Meet

A business meeting of the Grayling Golf Club officers and directors was held at the club house on May 6th. Eight of the board of nine officers and directors were present.

The following fees were decided upon for the coming year: \$40.00 full family membership for business men; \$25.00, full membership for a non-business family, a family membership includes children up to 18 years of age; \$10.00 per person for social membership (non-golfer); \$5.00 a week green fee for resorters; green fees, \$1.00 for 9 holes, \$1.25 for all day.

The following committees were also selected at the meeting: Greens and rules committee, Perry Akers, chairman, George Morrison and Menno Corwin; membership committee: Harold MacNeven, chm., Dr. J. F. Cook and Jack Wilson; tournament committee: Grover Cason, chm., Eugene Eaton and Willard Cornell. Entertainment: Bill Joseph, chm., Dr. B. Elmore Henig and Don Gotthard. House committee: Charles Piper, chm., Bob Strong and Ernest Johnson.

The club invites new members. Dues may be paid in person or mailed to Lorne Douglas, club secretary an treasurer.

## Record Crowd Attends Festival

A record crowd attended the children's May Festival presented at Grayling High School Thursday evening.

Over 400 children from kindergarten through the fourth grade took part in a program of songs. The morning and afternoon kindergarten classes also rendered rhythmic band numbers and Gary Walling, kindergarten teacher played a number on the electric guitar.

For the occasion the walls of the gymnasium were decorated with cut outs of tulips and daffodils and in front of the children who were seated on bleachers was a "picket fence." At the entrance in the middle of the fence were two ducks. At either end of the bleachers were large bouquets of cherry blossoms making a very spring like setting.

Mrs. Geraldine Johnson directed the affair and Mrs. Emil Giegling played the piano accompaniment. Assisting Mrs. Johnson were Mrs. Matt Edson, Mrs. Edgar Caid, Mrs. Elmer Fenton, Mrs. Harold Farmer, Mrs. Charles Owen and the Misses Betsy Niederer, Anita Crawford, Dorothy Decker and Shirley Hoel.

The festival was a tremendous success and enjoyed by all.

## Special Invitation

Do you like good Gospel singing and sacred music played at its best? Then don't fail to hear the Rogers family at the Calvary Baptist Church in Grayling every evening at 8:00 o'clock, May 20th through 30th inclusive.

Miss Margaret Douglas and nephew, James Douglas, left Tuesday for Worthington, Ohio, to spend a few days on business.

## Roscommon Bucks Win Conference Track Team Title Handily

In the high hurdles in 18.2 seconds. Kalkaska was the victor in the medley relay in 2 minutes 56 1/2 seconds with Grayling taking second. Fufts of Houghton Lake was the victor in the 100 yard dash in 11.1 1/2 seconds. Clark of Kalkaska took the mile run in 5 minutes 21 seconds with Ted Davenport of Grayling taking third.

Becker of Roscommon was the victor in the 440 yard dash in 58.2 seconds. Terry of Roscommon took the low hurdles in 23.15 seconds. Fufts of Houghton Lake came back to win the 220 yard dash in 24.6 seconds. Beil of Houghton Lake won the half mile run in two minutes, 16.7 seconds. Roscommon also won the half mile relay in one minute, 44.9 seconds. Grayling half mile relay team took fifth.

Roscommon wound up with 81 8/8 points with Houghton Lake 53 7/12 points, Marion with 23 1/4 points, Kalkaska with 18 points, Grayling with 13 1/4 and Lake City with 5.

Heroes of the meet were Marvin of Roscommon with two firsts and a third and Fufts of Houghton Lake with two first and a second place.

As expected a strong Roscommon track team walked off with the conference championship—at the loop meet held at the Grayling track last Friday afternoon and evening with Houghton Lake finishing second, Marion third, Kalkaska fourth, Grayling fifth and Lake City sixth.

The Vikings who were thought to be a threat for second anyway folded up under a triple onslaught of illness, injuries and plain absenteeism. The rosters for the local lads were very disappointed as was their coach Bruce Smith. Grayling failed to garner a single first place.

Myer of Roscommon took the shot put with a heave of 48 feet 3 1/4 inches. Isenhardt of Marion and Chapp of Roscommon tied for the high jump at 5 feet, 6 inches. Marvin of Roscommon won the pole vault at 10 feet with Ronnie Larson of Grayling taking third. Ebert of Roscommon won the broad jump with a 19 feet, 7 1/4 inch leap with Del Joslyn of Grayling taking fifth.

Marvin of Roscommon took first

Elwin Kruse was home for a few days last week, returning Sunday to his school duties at Michigan State College.

Rev. A. H. Hazzard called on a few friends Saturday on his way home from Roscommon, where he was called to conduct funeral services of a friend.

Dr. and Mrs. Mason and Mrs. George O'Brien and family of Saginaw enjoyed the week end at the Mason cabin on the North Branch. Of course the men folks enjoyed the fishing.

The first meeting of Lovells Chapel Guild was held last Tuesday afternoon with Mrs. Edith Spaulding. A nice number of members were present. A short business meeting was conducted by the newly elected president, Mildred Johnson. Plans were made for raising money for the coming year. The time was spent in preparing things for the coming bazaar, after which Mrs. Edith Spaulding and Mrs. Emma Stillwagon were co-hostesses to a nice lunch. Fresh strawberry shortcake and tea were served. The next meeting is to be held in the Ladies Club Room the first Tuesday afternoon in June. Mrs. John Kurechenko and Joan Carlson will be the co-hostesses. Mrs. Edith Spaulding will have charge of the devotional part of the program. All ladies are invited to join us in our new effort.

The Chapel Guild Ladies are planning a father and son banquet for next month.

Mr. and Mrs. Pat Carroll had as guests for Mother's Day the latter's son and wife, Mr. and Mrs. Charles Bigelow of Flint.

Enjoy the parties put on by the Ladies Club Room every Saturday night at 8 o'clock. Prizes for all

lucky ones.  
Charles N. Miller of Rosoma, Wis. was a caller in Lovells Saturday.

John Siedel and son, John, of Detroit spent the week end at their cottage and also visited Paul Loeffler and Mrs. Loeffler who is in Mercy Hospital.

We were again glad to have the James Stokes family here over the week end at their home south of Lovells. The Stokes moved away over a year ago, but often return and we are always glad to have them come back with us. Mr. Stokes works in Midland.

The Claude Smiths of Saginaw spent a few days at their summer home on Big Creek. Mrs. Smith's mother, Mrs. Ida Bills of Saginaw will be 93 years old Tuesday, May 13th and a big birthday party has been planned honoring the occasion.

Mrs. Bills is one grand old lady, loved by all who know her. She yet comes to their cabin with her boys and their friends on both fishing and hunting trips and loves it as ever before. She does her own housework and cooks for her boys. Happy birthday Grandma Bills from all of us and many more birthdays from all of Lovells surroundings.

A Mother's Day service was conducted Sunday at Lovells Community Chapel by Rev. Cleveland with a good attendance. A very lovely duet was enjoyed by all given by Rev. and Mrs. Cleveland. Plants were given to Mrs. C. Stillwagon as the oldest mother present and to the youngest mother, Mrs. Don Cleveland and to the mother with the largest number of children, Mrs. T. Morris. Come and join in our services each Sunday at 12:15. Sunday school at 11 A. M.

## Two Cents Is Left

When a store sells you something for one dollar the article you bought cost the merchant 61 cents on the average.

That leaves 39 cents to be accounted for. And a good many people believe that this sum is largely profit.

If that were true, merchandising would certainly be a gold mine—but it isn't! The 39 cents is called markup, which simply means the difference between the price a retailer pays for merchandise and the price at which he offers it for sale. All the expenses connected with operating the store must come out of the markup. These include payroll costs (which accounts for half of the total markup), rent, utilities, supplies, advertising and displays, insurance, special services such as deliveries and alterations—and, of course, taxes. Markup must also take care of markdowns—which are reductions from the original price at which the merchandise was offered, made necessary by competitive conditions, damage, or consumer refusal to buy at the regular figure.

How much of that markup, then, sticks in the merchants' pockets in the form of profit? The answer, based on exhaustive factual surveys covering stores of all sizes and types, is 1.9 cents. In other words, less than two little pennies out of each dollar of sales is left to the retailer, stockholders or investors after all the bills are met. That's certainly a modest wage to pay for the essential job retailing does on our behalf.

"Price and production controls are dangerous for the same reasons that Socialism and Communism are dangerous. They are subject to political pressures; they are inequitable; they often roll back progress; they often reward inefficiency; and they cannot be administered effectively." — Theodore O. Yntema.

## Early Opening Argued

Up and down Michigan trout streams on the opening week-end fishermen argued: Had the early opening on inland lakes taken some of the pressure off the trout streams? Or did the hold with the school that couldn't be wowed away from the thrill of that long-awaited opening week-end?

From our own survey the opening day parade looked just about as long and populous as ever, but that's not the real test. The next month will probably show slackening interest in trout because anglers will be diverted to lakes closer to home—at least that's the belief of our Conservation Department's fish division. And thus the terrific drain on Michigan trout will be somewhat relieved.

## Put-And-Take Planting

Just how severe this drain has become can be dramatically demonstrated by the heavy planting program required to keep trout fishermen happy to-day. In our so-called "put-and-take" system, about 250,000 legal-sized trout are planted just before the season opens. The fish are well scattered over hundreds of miles of streams. A surprisingly large percentage of them are caught on the opening week-end. During the balance of the season another 750,000—all 7" or better—are planted, and they, too, are over-anxious to take flies or bait cast their way.

## Costly Project

It costs real money to hatch a trout, raise him to legal length, transport him from the hatcheries and release him in a stream that may be many miles away. The figure is said to be about 40¢ per fish. On a million-fish basis the bill is a little alarming—\$400,000. Whatever fisheries experts think of the idea is neither here nor there. Sportmen apparently demand it, too. Resort operators like it, too. So it's likely to continue for awhile. The day may come, however, when the picture will change, and we'll go back to the old way of maintaining fish populations.

## New Rules Point Way

Sometime in the not too far distant future many of our best trout streams may be restricted to fly-fishing only. The new regulations for 1952 point the way. With fly-fishing-only allowed in certain streams, and the limit out to an adequate ten-per-day our elaborate and costly trout-planting program may gradually become unnecessary. The money saved may be spent more wisely on stream improvement necessitated by erosion resulting from over-zealous lumber operations. That's where man can help nature. But when it comes to helping nature maintain trout population by raising and releasing a million fish a year, man fails to meet the challenge in more ways than one. If you don't believe it, compare the flavor of a hatchery-raised trout and one of Mother Nature's children of the stream! You'll be surprised!

## Michigan Mirror

Well, here we go again. The Michigan legislature, probably the most volatile outfit in the nation, is back again. Mem-

bers are squabbling, squawling and bleating for more of this, less of that and none of the in-between—which is as ambiguous a statement as can be found this side of the Iliad.

But what is more confusing than our state government these days?

## OUT OF TOWNER

Pete Progress and the man who wouldn't get out of bed

The bellboy thought you were sick, said Pete.  
You a M.D.? asked the man.  
No, said Pete, I'm just a busybody.  
I'm not sick anyway, said the man.  
How come you won't get up? asked Pete.  
The boy said you've been in bed five days.  
I'm just fed up, said the man.  
Your girl give you the heave ho? asked Pete.  
Don't be silly, said the man. I've got a wife and six kids.  
Maybe it's the Atom Bomb? said Pete.  
Don't even understand it, said the man.  
It's my fellow man.  
How come? asked Pete.  
My town's going to the dogs, said the man. And nobody's doing anything about it. Need a new town hall. Need a community center. Need...

Got a chamber of commerce? asked Pete.  
What can they do? said the man. They only have a handful of members.  
Do you belong? asked Pete.  
Why, no, said the man. I'm too busy.  
Maybe that's how everybody else feels, said Pete.  
H'm, said the man, maybe you got something there.  
Why don't you join up? said Pete. I'll bet you'd soon have a lot of fellows steamed up. Most people would like to give instead of take. That's how we get stuff done in this town.  
By Godfrey, I will! said the man. And with that he jumped out of bed and leaped for the door.  
Hey, what about your pants? said Pete.  
Mild 'em to me, said the man. I'm going home for my work clothes.

**FAITH REVIVED . . .** The faith, which he lost when he was voted out of his home in south San Francisco, was revived somewhat by a flood of offers of homes in other cities to the family of Sing Sheng, Chinese-American. Their neighbors in San Francisco objected to Chinese living in the neighborhood, because, they complained it would lower property values. Trusting in democracy and Americanism, Sing Sheng put his residence there to a vote and lost—on the eve of Brotherhood Week.

It's a story as old as politics and who are we to change it? Not until we have a one-party administration, that is, or until that nebulous, halcyon day when non-partisan politics takes the conflict—and the interest—out of government.

The legislature, grumbling in its collective beard, is back again at Lansing this week, snarling and snapping at anything which doesn't follow the party line.

The Republicans face a beautiful impasse. They look down the throat of taxation and appropriation knots they left not too long ago. After whumping up what they figured was a taxation program to fulfill the budget (some \$33,000,000) they gave up went home. Only to have the governor veto a heavy chunk for reasons which are old hat by now.

And the tax difficulties are complex enough to keep the estimable lawmakers in session for quite a spell. Of course, the G.O.P. could override the vetoes on the two tax bills Williams has stomped on, but the Republicans just don't have the two-thirds majority in the house of representatives to do it. They'll make a fast try but it's a waste of time to even consider it.

Then, if the Republicans adjourn the session Williams can call them back into special session and dictate the subject matter—and you may be sure it will encompass his well-worn corporation tax. However, if the lawmakers recess—and the Republicans have a simple majority to do that—they can let their committee work on the tax situation.

Sen. George Higgins, the dynamic gentleman from Ferndale, says he has three more tax bills which could solve the fiscal problem. What are they? The used car dealer who votes Republican won't say—but he does hint that one of them is a revised form of his original used car tax bill, the one which met such a cold eye

from the governor.

Of course, there is the old discussion of the original Republican program. Williams says the G.O.P. \$33 million plan would have yielded a small \$17 million. The used car title transfer tax, which Higgins claimed would raise some \$12 million (Williams said it would add a slim \$3,440,000 to the general fund) and a liquor-handling tax the G.O.P. figured would add around \$3 million. Williams said \$1,021,000 are dead dodges. That is unless, of course, they can be revised to meet Williams' objections.

The governor has asked that from \$1,250,000 to \$1,500,000 be appropriated to repair the riot damage at Jackson prison. And he wants more cash to hire more prison guards.

This doesn't include, of course, the expected request for money to expand the state police, which the governor says has been below the margin of safety for years.

Now add up these little problems and you will find one gigantic headache for Michigan Republicans: How to keep their tax program—and still raise money for the articles the people darn well will insist on. The Jackson affair has acquired too much publicity and is obviously too serious a situation to pass off.

But the present budget won't allow for it without adding more to the deficit. If Republicans don't raise the money their reputations are at stake—to say nothing of their votes. If they do raise the money Williams will veto the bills.

Political volley ball of the sea-

son, of course, is the Jackson riot. Two days it was biggest story in the nation, four days top in the state and it still merits page one play whenever one of the myriads of investigators opens his mouth. The Republicans say Williams sold out the state, Democrats de-

clare just as firmly that the niggardly G.O.P. legislature refused to allot funds for proper maintenance.

Probably both sides have points, but this coming election is going to be so covered with such screening issues the real points will nev-

er reach the sunlight.

It'll take a discerning voter to penetrate the smoke and dig out the real battlelines—which, incidentally, neither side has made quite clear to capitol observers yet—except for corporation and non-corporation tax land mines.

## Protect your family against hospital and medical bills!

The chances are 1 in 4 your family will face hospital bills this year! Over 376,000 people in Michigan received Blue Cross - Blue Shield benefits in 1951!

Serenity... hospital or medical bills won't cloud this picture!

There are some risks in life you must take. There are other risks you can choose to take. And of these, risking your hard-earned savings in the face of a 1 in 4 chance that you or a member of your family will face hospital bills this year, is the most unnecessary risk of all.

Today over 2,500,000 people in Michigan have Blue Cross - Blue Shield protection against these unexpected hospital and medical bills. In the 13 years since Michigan doctors and hospitals started Blue Cross - Blue Shield these plans have paid out over 222-million dollars in benefits.

### What Blue Cross - Blue Shield do:

**BLUE CROSS Comprehensive Group Hospital Plan** covers a broad range of benefits (up to 120 days of care) in any one of 190 Michigan Blue Cross participating hospitals. NO CASH LIMIT on the benefits covered.

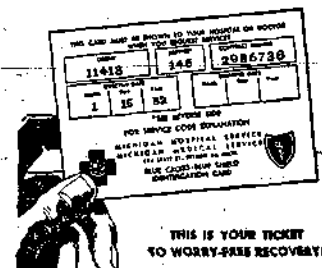

**BLUE-SHIELD Medical-Surgical Plan** pays liberal amounts for stated surgical procedures, pays toward your doctor's hospital visits in non-surgical cases.

### Best protection—lowest cost

Several Blue Cross - Blue Shield Plans are

available. The average cost is about 9¢ per person per day.

If your firm employs 5 or more people, it may be eligible for Comprehensive Group Plans. Agricultural workers can join through Farm Bureau Discussion Groups or Grange Groups. Get the facts today!

This membership card is all you need when admitted to a Blue Cross participating hospital. Simply show it to your doctor and the admitting clerk. Your health-care benefits are taken care of automatically. There are no complicated claim forms to fill out. Blue Cross - Blue Shield pay hospitals and doctors directly.

## Geology Students at Wayne U. Study Michigan's Copper Country

Dr. Willard H. Parsons of Wayne University shows two of his geology students Joseph Komblevics of Iron River (left) and Mike Brady of Grayling a specimen of crystallized copper from Michigan's famous "Copper Country."

Copper—a dangerously scarce metal vital to defense production in the United States today—occurs in Michigan as free or native metal in the rock and is by far the most important copper deposit of this type on earth.

Michigan's upper peninsula, also known as the "Copper Country" around the State, is America's oldest copper district.

Geology students at Wayne University in Detroit have been studying these recent developments in the nation's copper supply and have come up with many interesting facts.

Located in Michigan are rich veins of copper which are believed to have been the world's purest, Dr. Willard H. Parsons, chairman of the geology department at Wayne, explained.

Michigan's copper country is a rugged, hilly, wooded region. Stretching about 100 miles along Lake Superior, it extends northeast from the Porcupine Mountains in Ontonagon County out along the Keweenaw Peninsula. The important copper shipping ports are the twin cities of Houghton and Hancock.

According to Dr. Parsons, nobody knows who the earliest copper miners on Michigan were, but from the relics of tools and weapons found in the woods, archaeologists set the date before Columbus' time. These prehistoric miners left over 10,000 pits on Isle Royale, the United

States' only island national park. A piece of mass copper weighing 5,723 pounds was found here in 1874 and exhibited at the Centennial Exposition in 1876.

The first commercial copper mining in the State was done by individual miners and prospectors in 1845. Later deep mining proved highly profitable and mining companies were formed to exploit the rich veins. Deep shafts often extending to vertical depths of one mile were sunk. The Quincy Mine shaft, located near Hancock is over 9,500 feet. One of the deepest mines in the world, it can still produce plenty of copper.

For 40 years the industry flourished. It was then affected by the rise of copper mining in some western states and in Africa. The low mining costs and valuable by-products of these new mines set up economic barriers against Michigan's output.

Now with the help of the government, and with newly developed methods of prospecting and mining, the area may again come to life. There are many who believe its future lies in the numerous unexplored regions. One government loan will be used to reopen the White Pine Mine in Ontonagon County. Government officials have called the White Pine area body the largest undeveloped but discovered copper reserves in America.

## So. Branch Experiment Begins Tuesday

Experimental trout fishing rules apply on portions of the AuSable's South branch beginning May 20.

A 10-inch minimum size limit and flies only will be in effect on about a 12-mile stretch from 300 feet downstream from Stecker's bridge to Smith's bridge. The size limit but not the fly restriction will prevail from Smith's bridge down nearly five miles to the river mouth. Signs have been posted.

Conservation commission change is a test step toward improving trout fishing. Same rules on the North branch are believed responsible for permitting more trout to spawn before being caught as well as increasing the size of the average trout taken.

Conservation department fishery crews now have released 328,000 legal-sized trout and 875,000 sub-legal and fingerling sizes in suitable trout waters.

How many of the seven-inch or larger stocked trout have been caught by early season fishermen is open to speculation.

Further stocking is underway and will continue at times throughout the season for more immediate benefit of fishermen, to supplement wild trout reproduction, and to provide some future rod targets.

Legal-size fish released so far include: 121,000 brook, 120,000 rainbow, 70,000 brown and 9,000 lake trout. Nearly two-thirds of the total went into northern lower peninsula streams and a few lakes; larger plantings now are in progress in the upper peninsula.

## CHEST X-RAY

(Continued from Page 1)

are hopeful that students will act as "salesmen" in getting parents to have a chest X-ray, Dr. Merritt declared.

Because tuberculosis is spread by a germ from the sick to the healthy, adults can help guard against unknowingly spreading TB to children and others by having a free X-ray. No disrobing will be necessary and the process will be safe, swift and reliable.

Reports on possible abnormal conditions will be confidential to the individual and his own physician. Since the Michigan Department of Health X-ray unit uses miniature size X-ray film, possible chest trouble as shown in the small films will need to be confirmed or denied by additional X-rays-and-tests-by doctors.

Most of the X-rays taken in the survey will be expected to show healthy chests, but officials emphasize that early TB has no outward symptoms.

An advance build-up for the drive will include calling attention to chest X-ray and tuberculosis in communities throughout the five county area.

Towns the X-ray unit will visit include: Cadillac, Grayling, Houghton Lake, Kalkaska, Lake City, Manton, McBain, Mesick and Roscommon.

Complete timetables will be announced later, Dr. Merritt added.

# HERE NOW! AN AMAZING NEW KIND OF MOTOR OIL GULFPRIDE H.D. HIGH DETERGENCY

### Cuts engine wear up to 80%!

Yes, in short-trip, low-temperature operation (the kind of day-to-day driving most of us do) this new motor oil reduces engine wear by as much as 80%.

### Developed in 14,000,000 miles of driving!

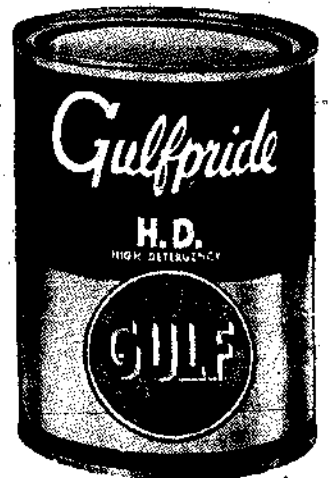

800 cars and trucks of various makes were used in this test, each with a different driver. The test included all types of driving terrain.

### Keeps hydraulic valve lifters from fouling and sticking!

Your Gulf dealer can tell you if your motor has this type of valve lifter (many cars do) which requires a high detergency oil.

### Prevents plugging, sticking of piston rings, clogging of oil screens!

That means a reduction of oil consumption—Also, eliminates oil starvation of vital engine parts, caused by clogged oil screens.

Whether your car is old or new, you can get the benefits of this revolutionary new oil now. Start using Gulfpride H.D. today. And see your Gulf dealer for complete "Safety-first" car service.

Get your GULF man's complete "Safety-first" service—protect your car FULLY for safe, pleasant driving!

**COOLING-SYSTEM SERVICE**  
—Your Gulf dealer can supply the kind of anti-freeze you prefer—either permanent or evaporative. But first, have him give that cooling system a thorough cleaning.

**GULFLEX LUBRICATION**  
—Full protection against gritty mud and dust—that's what you get when you have your car GULFEXed. Special GULFEX lubricants are used to reduce car wear at 39 vital points of chassis, engine, and body.

**GEAR LUBRICATION**  
—The fall, after a summer of hard use, is the best time to let your Gulf dealer flush out the old lubricants and replace them with tough, long-lasting Gulf gear lubricants.

**GULF BATTERY SERVICE**  
—For quick, sure starting, a fully charged battery is a "must." Your Gulf dealer will make a careful check and re-charge if necessary. Or replace your battery with a Gulf Powercell.

PUT SAFETY FIRST!
